

FOREIGN EMPLOYEES IN UKRAINE DURING QUARANTINE

Given the introduction of quarantine in Ukraine and its continuation, many questions have arisen in the population. More questions were raised by foreigners and those responsible for them.

Therefore, we decided to analyze everything in detail using our own experience and the official information currently available.

Head of Legal Department Svetlana Mozharivska told about our teamwork, the regime of work of state bodies and answered the following questions:

1. How to leave the country if foreigners are quarantined in Ukraine?
2. How to get to Ukraine at closed borders - is it possible?
3. For which foreigners are the borders open?
4. Do I need to run to continue my work permit and residence permit?
5. What to do to foreigners who entered on common ground and did not have time to leave before closing the borders?
6. What should I do if my visa expires?
7. Can I apply for an immigration permit, permanent residence permit, refugee status or citizenship?
8. What kind of favors are allowed by a foreigner with the adoption of the new law?

Of course, everyone has their own questions about the current situation and we will gladly try to answer them and help in solving them.

You can always ask for advice by email or by filling out the form on the site.

ABEA Relocation, together with WHO, advises: if it is possible - stay home and be healthy.
