

IMMIGRATION SUPPORT FOR FAMILY MEMBERS

Immigration support to the family members of the foreign employee requires careful assessment of each particular case. Ukrainian legislation requires a comprehensive list of the official documents, proving the relationship with the foreign citizen who works in Ukraine.

Our services include:

Advise on the procedure based on the existing official documents

Prepare full package of documents

Executing translations and notarizations based on the reimbursement

Arranging official payment, Power of Attorney and insurance based on the reimbursement

Submitting documents and obtaining Residence Permit

Address registration
